We are thrilled to introduce you to Kevin & Rishi, the co-owners of Canyon Creek Liquor Store (corner of Canyon Meadows Dr & Elbow Dr) and one of the very first businesses to come on board with us through the Business Partnership Program. Kevin, an established business owner, and Rishi, a recent graduate armed

with an HR degree, will be happy to chat with you about what to serve at your next event!

Kevin (right) & Rishi (left) have been unwavering supporters of our community. They have donated wine to CMCA events, supported local artisans by posting flyers, participated in our Silent Auction at Winterfest 2019 and will be supplying us with all the libations for our upcoming 50-year anniversary event 'Stampede in September'. But their support of the community started in July 2018 when they purchased the store. After careful consideration, they looked at 10 different liquor stores that were for sale. Ultimately, they settled on the unassuming little store in Canyon Meadows because of its prime location, great neighborhood, and best

overall feeling. Shortly afterwards, Rishi moved into the neighborhood and now calls it home. "The businesses in this strip mall are very supportive of each other, I even changed mechanics, Chad is amazing!" (referring to the local Canyon Meadows Auto). "Our customers are great, and the sense of community is so strong here. We love to pass on deals to our customers; if we are offered a good price from the supplier, we always try to pass on that savings to you!" says Rishi.

Before Covid, their newly acquired business was ramping up with new energy. They introduced new items, new wines and offered complimentary wine & beer tastings every month. They are hopeful to bring back the tastings, but for now they are bringing in a huge variety of drinks, including the hottest sellers, customer recommendations, local craft beer, a selection of organics and of course service with a smile! How do you know the service is exceptional? They say the proof is in the pudding... well in their case, the proof is in the pizza! They've had complimentary pizzas delivered and even been invited to Superbowl parties by customers. Kevin stays mainly behind the scenes, but you will find Rishi at the store Monday through Friday. Next time you drive by, drop in and say hello. This little gem is worth the stop!
